Hempfield Rec. Ski & Snowboard Club Specials

All club members will receive a 10% discount on NEW equipment & service and 5% on sale items. Our expert advice, from beginner to racer, comes from 47 years of experience. If you are not happy, then we are not happy. We appreciate you referrals. Please, come join us! Let us know that you're a club member to receive your discount.

Helmet Specials:

All club members receive special pricing on all helmets from Oct. 20th until Nov. 10th. Our "Club Special" helmet, "Five Forty" retails at \$79, your price \$39. We also have helmets available from Head, Giro & LDM.

Leasing Equipment:

For those of you who are just starting and aren't ready to buy, but would like better equipment than what you would rent at the slopes, leasing equipment might be the answer for you. Also if you are still growing and you are not ready to invest, leasing equipment is a less expensive way of owning your own equipment for the season.

Consignment:

If you're looking for good preowned equipment or have equipment to sell, give us a call, we'd be glad to help.

New Equipment: Our prices can't be beat!

Skis, boots, bindings, poles, snowboards, skiboards and accessories such as helmets, goggles, gloves, socks, footbeds, bags, ski/snowboard racks, etc.

Ski & Snowboard Services: We will personalize your tune-up to meet your needs. We service most major ski bindings. Please check our website for prices and a full list of ski, snowboard & boot services that we provide.
